A superior defensive unit held the opponents to only 46 points while the offensive team piled up an over-all score of 71.

This year two members of the team received All-State honors. John Haxton was placed on the seventh All State team and Grant Wright was placed on the second All-State team. Grant was also awarded Honorable Mention on a national All-Star squad.

Clear Lake 7 — Forest City 13. An inexperienced team took the field against Forest City for the first game of the season. The TD came on a pass from Pierce to Winders.

Clear Lake 7 — Clarion 0. The game was played on even terms for the first three quarters, but in the fourth quarter the Lions put on an offensive drive which carried them 72 yards to the Clarion 3-yard line. After a series of plays, Clarion was forced to punt. The Lions took the ball on their own 46 and marched down to score with only 50 seconds left in the game.

Clear Lake 13 — Iowa Falls 14. One long run gave the Cadets the score to win the game. Hovelson and Huntley scored for the Lions.

Clear Lake 13 — Webster City 0. With a field of puddles, water and mud, the Lion's defensive unit held Webster City down. When John Haxton recovered a Webster City fumble on their 23rd, the team took the ball down to score. Jim Hovelson went over from the first on a quarterback sneak. In the third quarter, Lincicum intercepted a pass and ran 90 yards for a touchdown.

MEMORIES

Senior Memoirs

"Still are the thoughts to my memory dear." —Scott

As the last year of our high school years comes to an end, we, the senior class of 1955, find ourselves busy with all the things that must be taken care of before graduation. The annual must be finished, college applications filled out, job applications sent in, and many other things that are paving the way for our future. But even in the midst of all these activities, we cannot help but stop and reflect on our high school days. There is so much for all of us to remember.

The hustle and bustle of Homecoming, electing the queen, making floats, the game, and, of course, the big dance after the game. And Hi-Tri, we couldn't forget Hi-Tri! Asking the boys, decorating the gym, and getting all decked out for the dance, a night we'll never forget. We remember all the times we got in "hot water" with our teachers, and maybe let our grades slip a little, but we also remember all the times we made the honor roll. And how could we forget the initiations we went through! G. A. A.'s roughness, "C" Club's crazy "get-up's" we had to wear, our impersonations in Masque and Gavel, and the formal and impressive initiations of National Honor Society and Hi-Tri. Senior Career Day and the hectic fun of Skip Day will always live in our memory. We reflect on the many friends we have made, the knowledge we have gained, and the pleasant experiences we can all recall. There in our memories are also the games we participated in, the enthusiasm of our cheerleaders and Pep Club.

We are grateful to Clear Lake High School and its faculty for making all of these things possible for us — things that will always retain a No. 1 spot in our memories.
